

CPC/Treatment Report for May 19th D9 Meeting

- At last meeting CPC were approved to spend up to \$50 on to purchase pamphlets. These were purchased and samples available for review.
- At the 19th CPC committee Kris shared that now he has a QR code that we can link to our local A.A. website.
- Barbara secured a shared booth for our joint public information event on July 4th.
- The CPC committee will be preparing a flyer announcing ing this event and asking for volunteers to man the booth in 2 hour increments.
- Janet will be mailing out A.A. information to medical professionals.
- Following our last committee meeting there was an action to look into sharing a booth at the July 4th event in Pioneer park with Al-Anon. Al-Anon agreed to share the cost of the table: \$60 total. More info to follow as the committee only met earlier to start discussing and planning this event. We welcome any volunteers to help be available to share AA.
- Took part in the Area CPC meeting on first Thursday of the month. We are going through the CPC Workbook. We spent a very productive session looking into anonymity in relation to CPC and Public Information service work and considering our Traditions. We were reminded that our aim is to share the AA message and not promote ourselves.
- CPC committee met today at 4pm.
 - I shared the lessons learned in the Area Google meets meeting.
 - We discussed the July 4th event
 - A letter proposed to go to Health Professional as an introductory contact along with a pamphlet and schedule was shared and was approved for mailing.
