

District 9 guidelines committee

Charles, Ben, Chris, Gene, Ben

Previous meeting minutes approved

Changes to district meeting start time in the guidelines from 6:30 to 6:00 pm

Old Business

Groups can move to appeal any guidelines changes made during the district committee meeting, after such changes have been approved and processed by the committee. Changes to guidelines generally do not need to be presented at district meetings for discussion or district-level approval.

Ben still to work on a draft for a short preamble to introduce the guidelines as a whole. We could also draw inspiration from district 18's handbook. This introduction could be separated by the headings "preamble" and "purpose".
