Old business: Gratitude Banquet was successful; the cost of center piece decorations is still outstanding.

New Business: New Year's Eve Party: Finger food pot luck, not a banquet. We will have Karaoke present. Bring cards or games; Rooms available for meetings.

Table clothes: Kitty usually takes them home and washes and irons them. We think that is too much of a burden to place on her. We either need volunteers to was them, or purchase plastic at the Dollar Store.

The GSR agreed unanimously that a portion of raffle money should go to the Entertainment.

The meeting was adjourned with the Responsibility Statement.
